

Index

1. Introducing Architectural Practice	
General Introduction	2
1. Introduction to Research Strategies & Validation Procedures	3
2. ADAP-T-r research	6
3. Early Research - Introduction to Traditional Irish Music - Landscape and Artefact & Landscape and Space	8
4. Introduction to Projects and Initial Observations - Four Initial Case Studies	16
5. Early Research Methodology and Observations - Wallscore & Conclusions	36
6. Communities of Practice	44
7. Big Red Pavilion - Postscript	54
2. Oral Culture of Traditional Irish Music	
Practice in an Oral Culture and the Space of Traditional Irish Music	61
Introduction to Music: Introduction to Objects and Meaning	63
1. Cultural, Compositional and Presentational Meaning - Perception of Objects - O' Rahilly's Grave by Julia Clifford	64
2. Oral Objects & Anthropological Process	70
3. Cultural Meaning - Learning Caoineadh Uí Neill from Denis Murphy	71
4. Compositional Meaning - Syntax and Structure - My Love is in America	75
5. Improvisation and Development - Personal Interpretations & Tommie Potts' My Love is in America - Regional Interpretations & The Morning Star	82
6. Presentational Meaning & Character - Port na bPúcaí	91
7. Weak Meaning	98
8. Final Observations and Conclusion	100

3. Early Theory of Process in Architecture	
Introduction	103
1. Early Design Process Diagram	104
2. Introductory Principles - Anthropological Process, Perception of Objects, Collecting Objects, Intuition and Sensibility, Whole Representations, Conceptualising Objects, Idealisation and Contextualisation, Scale of Objects	107
3. Associative and Compositional Sets	114
4. Further Examination of Meaning and Syntax in Compositional Process	119
5. Conclusion - Leon's Drawing, Deficiencies, Critique and Conclusion	121
4. Collecting and Assembling Objects	
Pre-Introduction	125
Introduction	125
1. Design Process Landscape Maps - Methodology and General Research Observations	126
2. House at Copenhagen Design Landscape Map - Case Study 1	139
3. House at Kimmage Design Landscape Map - Case Study 2	150
4. Copenhagen and Kimmage Summary Landscape - Portico Object Study	171
5. Collecting and Assembling Objects - Final Observations	182
6. Anthropological Music - Album Recording of Traditional Irish Music by Steve Larkin and Mick Kinsella	189
5. Improvisation & Development	
Introduction	195
1. Case Study 1 - An Páistín Fionn and Galway Bay - New Music Recording	197
2. Case Study 2 - The Gutter Book	214
3. Conclusion	239

6. Development of Theory of Process in Architecture	
Introduction	244
1. New Design Process Diagram	245
2. Observations on Potentiality & Assemblages	251
3. Interior Space of Composition	255
7. Landscape	
Introduction	257
1. The DNA of Landscape - Representation in Landscape	258
2. Artefact and Interiority	262
3. Building Landscape in Culture	263
4. Spatial Intelligence and Walter Pichler	265
5. Cultural Space of Landscape	267
6. Conclusions - New Knowledge and Communities of Practice	271
8. Bibliography	
1. Bibliography	277
2. Table of Images	284
3. Table of Recordings	297
4. Images Used in Design Landscape Drawings and Summaries from Chapter 4	300

9. Appendix	
1. An Páistín Fíonn & Galway Bay Recording Notes	304
2. Kimmage Linear Scores	312
3. Landscape Drawings	321
4. Tender Drawings	336
5. The Gutter Book Complete	353
